

# TEXTING IS KILLING LANGUAGE. JK!!!

by John McWhorter

## WARM-UP

### 1. Discuss:

- Are you a language purist?
- Is texting killing language in your opinion?
- Do you like the texting shortcuts and emoticons?
- What would life be like without SMS?

## VIDEO & DISCUSSION

### 2. Match phrases from the video with their endings:

- |                                      |                                |

### 3. Watch the talk and check your answers in ex. 2.

### 4. Discuss:

- What have you noticed in the way speaking, writing and texting have been developing?
- Do you approve of how using language has changed? What is the future of language in your opinion?
- How has the meaning of *LOL* and *slash* developed according to the speaker?

**5. Guess the meaning of abbreviations used in text messages:**

two weeks. Hugs and  
kisses

Can you send me Jane's  
address? As soon as  
possible!  
Thanks in advance

I booked a table at  
the restaurant at 5.  
Can you meet me  
there?

What are you  
wearing for the  
party today?

I think we should  
talk about it face to  
face. I will be right  
back.

Booked a table @ the  
restaurant @ 5. Can u  
meet me there?

What u wearing  
4 the party  
2 day?

Should talk F2F.  
BRB

**7. Choose two messages and answer them using abbreviations and text terms.**
